# CREATE

AN EXCLUSIVE, ONE-OF-A-KIND DESIGN FOR YOUR HOME WITH THE IDEAS AND DESIGN APPLICATIONS PRESENTED THROUGHOUT THIS PORTFOLIO.

**ISLANDS & TABLES.** An island is the perfect venue to create a unique, centerpiece for your kitchen. Select a daring color combination or wood species to contrast the kitchen cabinetry and embellish it with decorative hardware that is truly singular. Your Dura Supreme Designer will guide you through the selection process to choose your drawer configuration, end treatment, back treatment (plain or beaded), floor option (plain or slatted) and turned post design. The combinations are nearly endless and every design is uniquely suited to you and your home. The islands pictured in this brochure are just a few examples of countless possible designs that can be created with Dura Supreme's Island & Table program.

**BOOT BENCHES & LOCKERS.** Don't confine Dura Supreme cabinetry to the kitchen when it has such intelligent and beautiful applications for nearly every other room in your home. Appoint your front entry with a "mirrored hall tree" to graciously welcome and greet your guests. Outfit the family entrance (mud room) with a Boot Bench and Lockers to create a neatly organized staging area for each individual family member. This brochure features several different designs and applications for Boot Benches and Lockers to inspire creative ideas for your home.

*A few of the Turned Post options for Tables and Islands are pictured above.*

**THE ISLAND LIFESTYLE ISN'T ONLY FOR THE RICH AND FAMOUS.** Even the smallest of kitchens can be designed to accommodate an island adding a valuable work surface along with appliances and a prep sink. Island is shown with “Moda” door style in Quarter Sawn Red Oak with Cocoa Brown finish and accented with Stainless Steel slab drawer fronts.

**LUSH, TROPICAL DETAILS ABOUND ON THIS ISLAND** designed with bamboo-style turned legs, and rattan inserts in doors and drawer fronts. Island is shown with “Monterey” door style in Lyptus wood species with a lightly distressed “Heirloom D” finish. With its spacious farm sink, this island provides a clean-up area along with additional valuable countertop space.

**EVERY HARD-WORKING KITCHEN DESERVES AN ISLAND GETAWAY.** This island not only offers an additional clean-up area beyond the heavy traffic flow, but it also offers seating and a dining area for quick meals when the whole family is on the go. Island is shown with "Chapel Hill Panel" door style in Maple with Buttercream/Espresso Glaze finish.

**THE OLD FASHIONED KITCHEN TABLE HAS EVOLVED** into a furniture-styled island creating a bountiful work surface for food preparation. Table island is shown with “Lancaster” (Beaded Inset) beveled drawer fronts in Maple with an antiqued “Country Traditions H” finish. The wood top and the slatted floor are crafted of Knotty Alder with a Nutmeg finish.

**THE ISLAND ANCHORS THE KITCHEN** amid the tides of family activity and busy lifestyles. This handsome island offers a shallow spice niche on one end and a plate display on the other, nestled between two grandly-proportioned turned posts. Island is shown with “Nob Hill” door style in Knotty Alder with Driftwood/Coffee Glaze and Sage/Coffee Glaze finish.

**YOUR ISLAND PARADISE EVERYDAY.** The kitchen island doesn't just have to be hardworking and functional, it can be designed as an inviting centerpiece, enticing friends and family to linger over a cup of coffee or pull up a chair for great conversation. Island is shown with "St. Augustine" (Beaded Inset) door style in Maple with Antique White paint finish.

**A PLACE FOR EVERYTHING** and everything in its place. Plan a place in your home for a boot bench and lockers from Dura Supreme. Spacious drawers glide on full-extension slides with a soft-close feature. Roomy compartments within the lockers organize coats, scarves, backpacks and sports equipment keeping everything neatly organized and accessible.
